Stanley Davis

PROJECT DETAILS

Prestige have previously worked for Stanley Davis and were asked to carry out another project in 2017. This work consisted of:-

- Space planning and layout design
- Installation of Cat6 data and power supplies to desking and wall locations
- Installation of glazed office and meeting rooms
- Installation of tea points
- Carpet tiling and safety vinyl flooring
- Decoration
- Manifestation
- Fire detection modifications
- All works approved to meet Building Control and Landlords license
- As built drawings
- Certification and commissioning

CLIENT STATEMENT

Paul and the rest of the staff at Prestige were easy to deal with which resulted in a very smooth process and an on time and on budget delivery.

Neil Dolby – Finance Director

Prestige Interiors have a great team who carried out the project with minimal disruption, keeping me up to date with progress throughout the works. I was very impressed with the attention to detail this project received.

Alex – Building Management
