Herongate

PROJECT DETAILS

Herongate Primary School is situated in Milton Keynes and caters for children aged 8-12 years.

Prestige Electrical carried out a full NICEIC Periodic Test and Inspection in accordance with BS7671 of the IEE Regulations Part 6 on their whole electrical installation.

Upon completion of the Test and Inspection they were provided with:-

- NICEIC Periodic Inspection Certificate
- Remedial Works Report and coded to BS7671
- Laminated Distribution Board charts
- Copy of Distribution Board chart for their files

CLIENT STATEMENT

As the last inspection was five years ago, I am glad to say once again an excellent job of work carried out by your company and will be in touch re the remedial works in the near future.

Many thanks

John Morrison
Premises Manager
